All members detailed on the policy schedule must reside at the same address within the territorial limits.

This insurance is written in English and all communications about it will be in English. Unless we have agreed otherwise with you, in writing, this insurance is governed by English Law.

The level of service you have purchased is detailed on your policy schedule. Details of each level of service are as follows:

Recovery EXTRA

The following services are only available if you have Recovery EXTRA and have paid the appropriate premium.

Roadside Assistance & Recovery

Following a breakdown occurring at least a quarter of a mile from your home address, we will arrange and pay for a recovery operator to spend up to 60 minutes, where appropriate, at the breakdown location to attempt a repair to the vehicle.

If in the opinion of the recovery operator, the vehicle cannot be repaired within 60 minutes at the breakdown location, we will arrange and pay for the vehicle, you and the passengers to be recovered to the nearest suitable garage which is able to repair the vehicle the same working day.

This benefit is designed to cover small emergency repairs. It will not cover the cost of any parts or materials. Any work which is not carried out at the breakdown location is not covered. It is provided under a separate contract between you and the garage.

If no suitable garage is open at the time or the repair cannot be made the same working day, we will arrange and pay the cost of recovering the vehicle, you and the passengers to any one place you choose within the territorial limits. Any recovery must take place at the same time as the initial call-out.

Home Assistance

Following a breakdown occurring at your home address or within a quarter of a mile of your home address, we will arrange and pay for a recovery operator to spend up to 60 minutes, where appropriate, at the breakdown location to attempt a repair to the vehicle. If in the opinion of the recovery operator, the vehicle cannot be repaired within 60 minutes at the breakdown location, we will arrange and pay for the vehicle, you and the passengers to be recovered to the nearest suitable garage which is able to undertake the repair.

Alternative Travel or Emergency Overnight Accommodation

If the vehicle breaks down while it is more than 25 miles from your home address and it cannot be repaired at the breakdown location or at the nearest suitable garage during the same working day, providing the vehicle is being repaired at the nearest suitable garage, we will reimburse the cost of necessary emergency overnight accommodation or alternative travel arrangements to allow you to continue your original journey and collect the vehicle once it has been repaired.

The most we will reimburse is £200:

- ▼ for alternative road or rail travel or car hire (we will not pay any amounts for fuel, oil, insurance or any excess for the hire car); or
- ▼ for one night's hotel accommodation for you and the passengers. (The amount we will reimburse will only be for the rooms. We will not pay any amount for meals or drinks).

Before you arrange alternative travel or accommodation you must call the Rescue Control Centre for their agreement. We will only reimburse amounts covered by this insurance if we receive valid invoices and receipts.

Driver Illness

If you are unable to continue your journey due to illness or injury we will arrange and pay for an alternative driver to return the vehicle to your home address. Alternatively, we will arrange and pay the cost of recovering the vehicle to your home address. A medical certificate will be required to validate the claim.

Accident, Vandalism or Theft

If your vehicle cannot be driven as a result of damage, which is caused by an accident, vandalism or theft, we will arrange and pay for the vehicle, you and the passengers to be recovered to a local address of your choice within 10 miles of the breakdown.

Keys

All other costs incurred, including any specialist equipment needed to move the vehicle, will be at your expense.

Toll Authority Fees

We will pay the cost of Toll Authority fees incurred by the recovery operator to access or recover your vehicle.

- 3 This insurance only applies to you and cannot be transferred to anyone else.

- 5 If a claim is made which you or anyone acting on your behalf knows is false, fraudulent or exaggerated, we will not pay the claim and cover under this insurance will end.
- 6 You must take all reasonable steps to prevent a breakdown, and your vehicle must not be driven in an unsafe or unroadworthy condition or until repairs recommended following service have been carried out.
- 7 You must keep your vehicle properly maintained and serviced in accordance with the manufacturer's specifications, including the maintenance of proper levels of oil and water.
- 8 Your vehicle must have a valid MOT, be taxed (unless either are exempt), be insured and registered in the UK.
